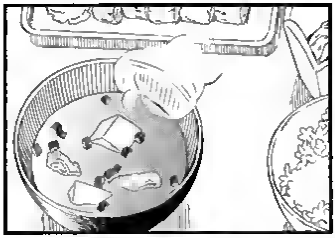
Chapter 2:
Keep it off Chion

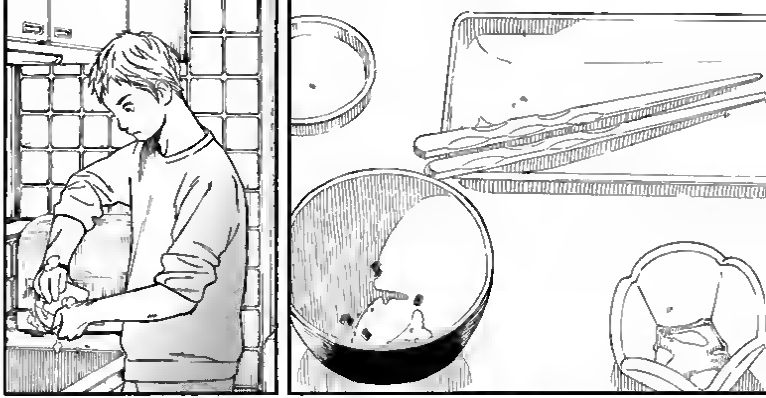
Hi...

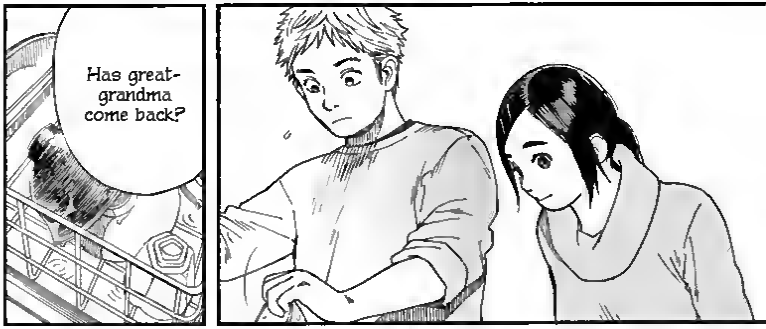


Look's sweet!

Did you manage to get a good sleep?
Yeah, I did.
Staring into the ceiling can do wonders.

Didn't know you were such an early bird.
I'm in bed by nine,
so it's obvious I also get up early.
By nine?!





Has great-grandma come back?

No, she hasn't.
But she should, soon; on Monday, at the latest.

19.
So, how old are you right now?
Nope.
I decided not to go
Aah!
And you — You're in university, right?

I WONDER JUST HOW LONG IS SHE GOING TO LIVE LIKE THIS ..
°O
SHE DIDN'T GO TO UNIVERSITY AND SHE DOESN'T HAVE A BOYFRIEND
SHE'S 19, HUH?

DAMN. WHY CAN'T I STOP THINKING ABOUT IT?
Eh
WITH ME ..
And what will I do if something happens between us...?
Whoa
These country bugs sure are something...
SFX: pull out

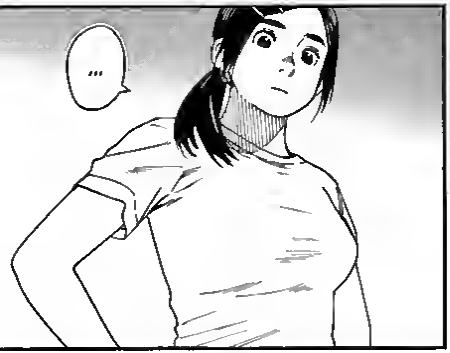
Urgh!
Guess I'll have to wash it, after all.

Ah.
Trousers, too...
Dang. I've forgotten about spare clothes...
BAM BAM

Okay...
Now what...?



...

Time to pick myself up.

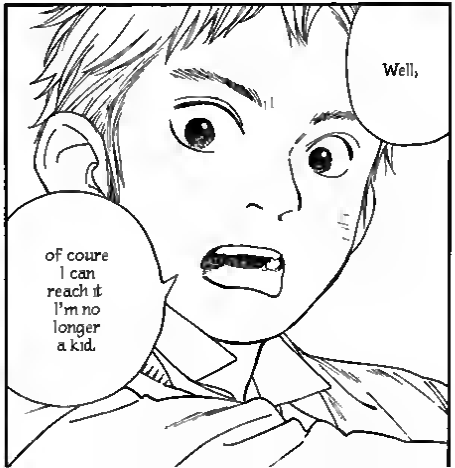
Good thing you can reach the bell.
I hope you don't mind giving me a hand
with ringing it.

21

Besides, I've told you already that I will do all the heavier works round here.



Well,
of coure I can reach it I'm no longer a kid.

Right. Because you're a man now.

22

We ring the bell twice a day:
at 11 a.m. and 9 p.m., so remember to give it your all,
my handsome little devil.
YOU SURE DO LOVE MESSING WITH ME, HUH?
